

PRACTICAL PACE

PRACTICAL GUIDE FOR LOCAL AUTHORITY OFFICERS

CONTENT

Understanding why, how and when to caution is fundamental to help secure a safe conviction. This brand new one day practical course is specifically designed for local authority regulators covering the following:

- 'the caution'; when to caution; interviews under caution and a Simple Caution.....
- The law, PACE Codes of Practice C & E plus relevant guidance and case law
- Typical problems and how to get the best outcome
- Difficult interviews, interviewees, lawyers and legal representation – it's all a game.....
- Planning and conducting your interview with a suggested format
- Who to interview?
- Confessions and admissibility
- Questioning techniques and interview management
- The PEACE model – interview, interrogation or conversation?
- Significant statements
- Disclosure and exhibits

'Very insightful, wish I'd known some of these things years ago, definitely learned from the training'

'Really liked the template that was given for conducting an interview, really good tool'

'Enjoyable course, lots of experience and practical tips'

 **BESPOKE SAFETY**

Almost 1000 LA officers trained from +250 LAs since 2009

This course draws on over 25yrs experience working with PACE and teaching it. It aims to be a reference point to help you to improve your understanding and technique when applying it. There is a lot to cover in one day but is supported by group work, discussion and examples.

OTHER COURSES

- Accident Investigation
- Fatal Accident Investigation
- Dealing with the Bereaved
- Warehouse Inspection
- New to Health and Safety Regulation
